FUEL DISCLAIMER

Fuel related issues are a fact. Michigan fuels contain up to 10% Ethanol, causing many fuel system related issues. We at Waterland Marine use an ethanol Treatment during the winterization process to help. We cannot be responsible for fuel system issues due to bad gas or ethanol. Speak to your service advisor for additional details. Our Gas fill up service offers 90 Octane Ethanol Free Fuel to help with this. Please note fuel prices will reflect current prices at the pump. Contact Us At: 616.874.5744 for further questions.

FIBERGLASS / CANVAS / UPHOLSTERY / MISC. REPAIR: PLEASE EXPLAIN

MISC. BOAT REPAIR: BILGE PUMP / LIGHTS / STALLING: PLEASE EXPLAIN

PAYMENT

This form must be filled out before any work will be performed or a storage spot saved. Please note that all invoices are due on receipt. Payment must be received in full before items(s) will be release or delivered. Late Fees may incur on past due invoices. When calling in the Spring to arrange pick up or delivery, appointments will not be made or item(s) pulled out of storage until account is paid in full.

*Credit card payments will incur a 3% fee. Please make checks payable to Waterland Marine.
